## Quick + Easy Baby Blanket

Well time is short and you need a baby blanket, give this one a try. The [Bernat Blanket Stripes yarn](#) makes this project even easier as you don't have to stop and change colors, yet it produces a fabulous blanket. Of course, if you prefer to choose your own colors, there are many shades of regular [Bernat Blanket](#) yarn that will work just as well.

I used just 2 balls and 3 hours one evening to crochet this quick and easy blanket. It's finished size is 29" x 34", just enough to cover a baby or use as a comfy mat for baby to lay on. It's so lush and soft, just perfect for a baby's soft skin.
