## Crochet Fall Poncho Pattern

Fall is a great time for wearing a poncho. The air is crisp and a poncho is the perfect accessory to wear to those outdoor activities. I wear mine in my cool office too. The poncho keeps my arms and hands free for typing all day.

When the new colors of [Caron Cakes](#) came out in August, the Plum Crisp immediately gave me that cozy, autumn day feeling. I used front post stitches on this simple design because I love the texture of a slightly ribbed look.

This poncho will fit up to a 1XL, but to make it larger, just continue the pattern until you reach the desired size. You will need more [yarn](#) to make it bigger.
