Easy to Crochet

I really dislike when cowls are too loose in the neck. I prefer cowls to be tighter in the neck region to cover the draft of the top of my coat.

This cowl uses 1 complete ball of the Bernat twsted Yarn. This yarn can be found exclusively at Walmart.

Cowl is 21” x 8”. It’s slip stitched at the end to join the two ends to form a permanent circle.

Instructions

Ch 21.

1st row: Sc 2nd chain from hook. Sc across chain. Turn

2nd row: Ch 3 (counts as dc), (skip next st, dc in next, dc in skipped stitch by going into the stitch and over the post of the first stitch you just did.) - Criss Cross. Criss cross going across the row. Dc in the final stitch.

Repeat Row 2 until entire ball is used. Leave enough to slip stitch the two ends shut.

To finish this off. Slip stitch the two ends together and weave in tails.
