### Vinyl Look

You now have 3 between row soaces of the black to play with. You will sl st with the yarn coming from back side of the coaster up through to the front side.

**See video on Surface Overlay for clarification.**

Goal is to get the first space to have just 3 sl st's. Spaced out equally across from each other. Surface crochet moving clockwise. You will have 2 equally spaced shiny lines appear.

Do second black layer space, starting at same spot of the first round, sl st 7 spaces. Do this 2 times.

Do third and final layer space, starting at same spot of the 2nd round. sl st 10 spaces. Do this 2 times.

Carefully fasten in the loose ends of the surface overlay to be nice and clean looking.

To finalize, wet block the coasters and let dry.

Now put the old records on the shelf and get dancing!
