## Introduction

Designed for easy handmade gift giving as well as simple ideas for a craft table for the holidays or fundraising.

The felted balls can be picked up in a multi pack at your craft store. Recommending 115 pcs by Dimensions. You can do multiple trees with one package. You will also need a needle that can punch through the felted balls.

You will find the needle in the leather section of your craft store. Look for a bent tip that is flat. Felting is fiber that is intertwined to each other. This type

of needle separates the fibers to break through the ball. You will find a conventional darning needle hard to push through the ball.

## Instructions

You need to crochet 4 layers for this tree. Using two strands at same time for strength of layers to stay firm.

### Layer 1 - Smallest

**Rnd 1:** Ch 2. 6 sc 2nd from hook. Sl st to beg sc. - 6 sts

**Final Round:** Ch 1, \*sc, ch 3. Repeat \* around. Sl st to beg sc. Fasten off.

### Layer 2 - Next Size Up

**Repeat Rnd 1** from Layer 1

**Rnd 2:** Ch 1, 2 sc in each st around. Sl st to beg sc.

Repeat Final Round. Fasten off.

### Layer 3 - Next Size Up

**Repeat Rnd 1** from Layer 1.

**Repeat Rnd 2** from Layer 2.

**Rnd 3:** Ch 1, sc in 1st st, 2 sc in next. \*Sc in next st, 2 sc in next. Repeat \*

around.

**Repeat Final Round.** Fasten off.

### Layer 4 - Final Layer

**Repeat Rnd 1** from Layer 1

**Repeat Rnd 2** from Layer 2

**Repeat Rnd 3** from Layer 3

**Rnd 4:** Ch 1, Sc in next 2 sts, 2 sc in next. Repeat \* around.

**Repeat Final Round.** Fasten off.

Using 18" strand from same yarn. Triple tie a knot at the end of the strand. Feed other side through felting needle. Feed on 3 large balls. Feed final layer onto needle. \*Then feed large ball, then 1 small ball and then next layer. Repeat \* to the top. Final is one large ball and 1 small ball.

Form a 3" high loop. Feed back down the small ball in a slightly different path to lock into position. Then to the top layer to weave in ends. Hang to enjoy.
