Multiples

The multiples in the beginning chain are 23 + 2 to change the size of the afghan.

Introduction

My favorite afghan will always be a chevron style, no matter what stitch is used. I grew up with a chevron afghan draped over the back of the sofa, so to me there is nothing more comforting.

This #CrochetBB is the first of a series of afghans that I will be presenting. I designed this to have no right or wrong side as the texture is seen and felt on both sides of the final project.
