

## Crochet Diagram

So let me give you some resources to help you. Firstly, here is a crude crochet diagram I made to show you where the stitches fall into place when making this stitch. You are welcome to print off this diagram if it helps you.

Vintage Fan Ripple Stitch Crochet Diagram[/caption]

- The pattern consists of 4 repeating rows. Rows 1 - 4. The chain is just to get you started.
- When creating your base chain, keep the counts in multiples of 9. Once you get to your desired width for a chain, add 1 to the chain so you can single crochet 2nd chain from the hook and keep your project in balance.

## Written Instructions

- Use a yarn and hook that compliment each other. You can refer to yarn band label to see the suggested hook size to go with the yarn.

Chain in sets of 9 until you get to the desired width. At the end of the chain add 1 more chain.

1. SC 2nd chain from hook and then SC in next 3 chains. \* 3 SC into next chain. SC into next 8 chains and repeat \* across. Final 4 chains will be 1 SC into each. Turn.
2. Ch 1, skip 1st stitch and SC into next 4 sts. \* 3 SC into next st. SC into next 4 sts, skip 2, SC into next 4 sts. Repeat \* across. Final 4 stitches will be 1 SC into next 3 stitches and then SC 2 TOG for the final. Turn.
3. Repeat Row 2.
4. Slip Stitch 2 stitches, then CH 6. Triple Treble (TTR) into next 2 stitches. \* 3 TTR into next and then 1 TTR into next 3 stitches. Skip 4 stitches, 1 TTR into next 3 stitches, Repeat \* across. Final stitches will be 1 TTR in 3 stitches. **(You will notice the TTR do not extend all the way to the end of the row. This is what we want.)**
5. If changing colour, this is where you would do it before doing the next repeat rows.
6. Repeat Rows 1 - 4 continually until your project gets the desired length.
