

# Beginners Blanket

This stitch is called the Granite or Moss Stitch.

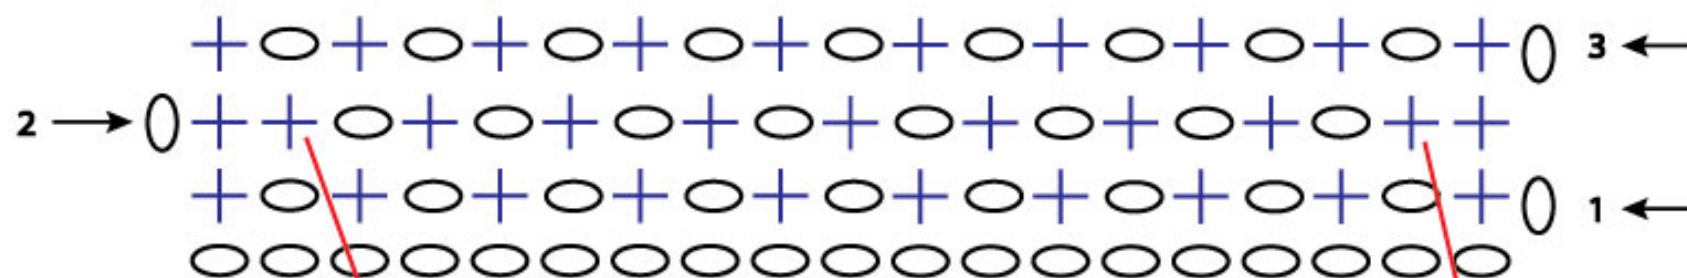

## Stitch Key

- Chain
- ⊕ Single Crochet

## Border

Crochet around the entire blanket. 1 single crochet in each stitch and chain 1 space. For the corners, put in 3 single crochets so the stitch will turn the corner.

Repeat Rows 2 & 3 for body of the blanket.

Notice **row 2** that there are 2 single crochet on the ends so it changes the location of the chain 1 spaces between the stitches for the row above. It's on both edges.

Example shows 20 chains.

## Chain in Multiples of 2

Make sure the chain is an even number.
