Repeat Rows 2 & 3 until you have 60 rows.

Row 61 - Ch 3, dc in space between 1st and 2nd dc, skip 3 dc, 9 tr in space between the 2 dc group, \*skip 3 dc, 1 dc between 2nd and 3rd dc of shell, 1 dc between 3rd and 4th dc of shell, skip 3 dc, 9 tr in space between the 2 dc group, repeat from \*, ending with 2 dc in the turning chain. Finish off.

You are half done. Now go back to the beginning chain and with the right side facing you, attach the yarn in the right corner and work Row 1 into the other side of the chain. The shells and dc's should all match up like a mirror image. Continue to work the second half just as you did the first half until you complete all 61 rows. Finish off and weave in ends.
