

Extra Long Infinity Cowl

by Jeanne Steinhilber

- I used 2 strands of #2 marled yarn held together, but you can use any worsted weight yarn.
- Hook size 6.5mm K

Foundation dc 150.

Bring the ends together being careful not to twist.

Next, twist a half turn.

You are going to join by slst into the first space between beginning ch and first dc.

Slst, ch 4, dc into the same space creating the first V-st. Skip next space, dc, ch 1, dc in next sp (V-st).

Continue pattern around. When you get back to the beginning, the piece is flipped and you will be working in the opposite side. Work the V-st around again to the end. Join with slst in 3rd ch of beginning ch 4. Do not turn.

Ch 3, dc in each dc and ch 1 space around. Join with slst to 3rd ch. Finish off.

The cowl will have one twist in it. You can wear it super long and loopy, or double it, or even triple it!

If you like to see photo step-by-step instructions, this pattern is the same as the [Infinity Headband](#), but I left off the last round of sc to keep the cowl looser and freer.
