

# Gauge Workshop

## MEASUREMENTS

Approx 40 x 44" [101.5 x 112 cm].

## GAUGE

11 sts and 6 rows = 4" [10 cm] in Wave Pat.

## Pattern Gauge

### What is Gauge

It is the designated amount of stitches and rows required to match the standard size applied to the pattern.

### Standard 4" Swatch Sizes

Most swatches are measured in a 4" swatch square. Most major yarn makers have their gauges and hook recommendation directly on the ball band label.

## Ball Band Gauge

### Adjust Gauge

If too many stitches are there in your width, increase your hook size to increase stitch size.

If too few stitches are there in your width, decrease your hook size shrink stitch sizes.
