

UPDATE Please keep your scarves within our size restrictions (no larger than 4"-6" wide, 48"-50" long) so they fit into our Care Packages.

The will accept other size scarves, but if they are too big, they will be sent to a Veteran, a Wounded Warrior, or a First Responder. Sometimes they will also take oversized scarves to the local VA Hospital. No scarf will ever go to waste.

I came up with a very simple design for a soft scarf. I made all 6 scarves in one evening. I actually had only planned to make 5, but had just enough leftover from each of my colors to make one multi-colored scarf. I hope to bring some warmth and love to some special people.
