

Self-Fringing Scarf

~ by *Jeanne Steinhilber*

- 1 Caron Cakes yarn
- Crochet Hook size J - 6.0 mm

You will be alternating every row, first by pulling from the center of the cake for row 1 and 2, then pulling from the outside of the cake for row 3. Continue to alternate every row after that. This gives the interesting color changes that will occur from the cake of yarn.

1. Begin with an 8 inch tail before your slip knot. Ch 250. In 2nd ch from hook, sc across. Turn. - 249 sc.
2. Ch 1, sc in 1st st, *ch 1, skip next st, sc in next st; repeat * across to last st, sc in last st. Finish off and leave an 8 inch tail. Turn.
3. Begin with an 8 inch tail before your slip knot, sc in 1st st, *ch 1, skip next st, sc in next ch-1 space; repeat * across to last st, sc in last st. Finish off and leave an 8 inch tail. Turn.
4. Repeat row 3 until you are out of yarn.

Finished size - 72" x 6" excluding fringe.

You could tie on extra fringe if you'd like, but I did not on mine. I just gathered 3 strands together and tied them into a slip knot.
