Crochet a Frenzy Bun Hat Pattern

Materials:

Laura Jean used the worsted weight and a size H hook/ 5.00mm and skipped the first three rounds. Let's rock this thing! And get started.

- **Instructions:**
  You will need a foundation to build your hat on.
  Chain 24 and join with a slip stitch to the first chain to form a loop.
  Round 1: crocheting into the loop made. Chain up 3, you will count this as a dc. Make 32 more dc into the ring. (33 dc)
  GO now to Round 5: Follow the written pattern from this point on.
  If you are following the [tutorial](#) Mikey starts working on Round 5 at the 8 minutes 30-second mark.
  Just follow the pattern and or tutorial to finish your new Ponytail Hat. UPDATE AND ADDITIONAL HELP: Stitch counts as follows:
  Rnd 4: 33
  Rnd 5 and 6: 48
  Rnd 7 and 8: 62
  Rnd 9: 68.
  Note: On the dcfp as in the tutorial Mikey is skipping the ch-3 dc from the previous row; then doing the first dcfp in the next dc and the second one that crosses over will go around the same ch-3dc just skipped.
