Do 2 dc, ch 1. *Slip stitch to the matching stitch of the opposite square then ch 1. Repeat * once again to the next stitch. When doing the 2 dc for the corner. Slip stitch into the joining square before proceeding to dc. Dc as normal. Each time you go to dc into the square you are finishing and joining to a neighbour, just slip stitch to create the join.

Final blanket will be 6 x 7 squares.

Final Border: Join with sl st to any corner of your blanket. Ch 1, 3 sc into same space. 1 sc in each stitch. At joins, place 1 sc at the ch-3 space on both sides of the join. Do not add any sc to the physical join between squares. Each corner will have 3 sc in each. When back to the beginning, join with a sl to to beg sc. Fasten off and weave in ends.
