With extra caution, hot glue on stars to the hat after the moon has been sewn on.

### Ears (make 4 panels) with Black Yarn

1. Ch 2 and make 12 hdc in 2nd ch from hook, join to 1st hdc.
2. Ch 2, 2 hdc in each stitch around, join, chain 2 (24 hdc)
3. Ch 2, 2 hdc in first, hdc in next, repeat around, join, chain 2 (36 hdc)
4. Ch 2, 2 hdc in first, hdc in next 2, repeat around **leaving 5 sts unused**. Fasten off and weave in end.

Repeat Steps 1 - 4 again and do not fasten off.

Place two ear panels together and sc through both ears in each matching stitch to join them permanently together. Fasten off and leave about 3 feet of extra yarn tail that you will use to sew them together to the head band.

### Ear & Hat Assembly to the Head Band

Using the long tail with a tapestry needle on the end of the tail. Wrap the yarn around the headband and use the tapestry needle to insert through the bottom stitches of the ear or hat. Continue to circle around the head band and through the ear several times across and then double back across. Ensure to pull tight and ensure ear is positioned in the correct position. This this with both ears.
