## Introduction

Crocheters would like to try this blanket but using crochet. The following mathematics have been worked out to create a similar look. I've worked out the math. It won't look exactly identical but it's pretty close. It's my best guess.

**Rows 3 - 5:** Ch 1, sc in each st across. Turn.

Fold blanket in half lengthwise, then fold again in half again. Roll blanket and place straps around to where straps should be attached to main blanket. Pin into position at the last row of the Oatmeal colour. Sew into position where pinned. Sew 2 buttons at the end of the strap that doesn't

have the button hole. Ensure the buttons will slide through the button hole spaces.

When using this blanket, be strategic in folding so the straps stay on the outside and can be buttoned up.
