Multiples

The multiples in the beginning chain are 23 + 2 to change

the width of the blanket.

Each section of the blanket uses a full ball of yarn, but changing size will affect the yarn usage. Also, I did play yarn chicken with the striped yarn. I'm a pretty average crocheter. If you are loose, you may want to drop a hook size. Also, if you run a few stitches short, simply switch colors a bit sooner.
