Assembly

Have 12" pillow form ready to insert.

Put both motifs together with the wrong side facing each other. Matching stitch for stitch. Do not attach directly to a corner to hide the attaching better. Attach to a single crochet about 5 sts before a corner.

Insert hook through front motif and pick up the same stitch on the back motif. Sl st to fasten on the yarn. Ch 1, 1 sc in same st. 1 sc in each st around. In corners, place 3 sc to make the turn. Follow the motifs around for 3 sides. Insert pillow form and then finish final 4th side. Fasten off and weave in ends.

Finished face prior to border to be added.

Face with 2 rnd of border added.
