Fold the hat so the starting edge and last edge are aligned. Sl st into BLO of both edges and finish at the top of the hat.

Cut strand long enough to use to gather the top sl st edges and pull shut to close. Close with tapestry needle.

Pumpkin Vines

Leave long strand to begin so you can use it to tie in later.

Vine 1: Ch 30

Vine 2: Ch 25

Vine 3: Ch 20

Row 1: 3 sc in 2nd ch from hook. 3 sc in each ch to the end. Fasten off and leave long strand.

Take beg strand and pull through the top of the hat, take second strand and pull through different spot. Tie with knot inside the hat. Do all three in same manner.
