Crochet Butterfly Scarf

Instructions

- 1 Ball of 4 Ply Worsted Medium 4 Weight Yarn. I used 1 Ball of Red Heart Boutique Midnight Yarn. 2.5 oz or 70 g ball. 153 yards. The colour used in this sample is called "Shadow".
- Use 6.0 mm or Size J Crochet Hook
- Karen's sample (to the right) has been done using 50 g ball of Rico Baby Yarn in Christmassy Red using a 4 mm Crochet Hook.
- Abbreviations are: Ch = Chain, DC = Double Crochet
1. Ch 16. Begin DC 3rd Chain from hook all the way across. Turn. OPTIONAL AS PER VIDEO: In the video I did 1 DC 3rd Ch from hook, and then DC into next two stitches, Ch 8, skip 8 stitches and put 1 DC into the final three stitches. If you do this, automatically skip over ROW 2 instructions next and start on Row 3. This will allow you to keep a consistent amount of chains going across. This way prevents you from having a DC border edge. Choice is up to you.
2. Ch 2, DC into the first two stitches, Ch 8, DC into the final three stitches of the row. Turn.
3. Ch 2, DC into the first two stitches, Ch 8, DC into the final three stitches of the row. Turn.
4. Ch 2, DC into the first two stitches, Ch 8, DC into the final three stitches of the row. Turn.
5. Ch 2, DC into the first two stitches, Ch 4, SC around the Rows 2 - 4 Chains to link them together, Ch 4, DC into the final three stitches.
6. Repeat Rows 2 - 5 until you get the desired length of scarf you want.
7. To end this scarf, the final row should be DC all the way across. Fasten off and wave in ends. If you don't want a DC border edge, simply end the project using Row 5 instructions.

Tips:

1. If some of your stitches in rows 5 are not in the center of your scarf. Pull the scarf on the sides and the stitches will even out.

Crochet Diagram

The diagram below shows you the starting point on the bottom left. You keep repeating the chains in the middle throughout the scarf but every 4th you will join the 3 rows of chains under it together.

There is a gap in the diagram showing you at the top on how to finish this scarf.
