

Christmas Wave Afghan Pattern

Want a new afghan for your holiday decor? Look no further as this Christmas Wave Afghan is really quite lovely. Easy to follow along directions are included below. Here's a little secret though, you can change the yarn and colours and come up with other concepts for the same pattern. Creativity is subjective and don't limit yourself to do as Mikey does. Follow what makes you happy!

Christmas Waves Throw will measure approximately 59" across by as long as you want it. 1 ball of Bernat Holiday Yarn will take you about 5" of length.

Materials:

Size K Crochet Hook or 6.5 MM

Yarn:

1 Ball = 5" in height - Bernat Holiday Yarn 100 g or 3.5 oz balls and Bernat Super Value Yarn 197 g or 7 oz Balls. Colour used was Super Value White and Red & Green from Bernat Holiday Yarn. I recommend 6 balls each of the Red & Green and 2 or 3 of the Super Value White. The Value white is only 1 line across.

Decide your length in inches and divide by 5. This will give you the amount of balls you need. Afghan design is 59" across.
