Design Element Thoughts

For the first single crochet row after wave grill is completed, I decided to use the ch 1 spaces to my advantage instead of having to fiddle with finding the stitches. The last ch 1 space in the row only has 1 single crochet in to keep the right count.

Abbreviations

Beg = Beginning
Ch = Chain
Dc = Double Crochet
Hdc = Half Double Crochet
Rep = Repeat
RS = Right Side
Sc = Single Crochet
Sk = Skip
Sp(s) = Space(s)
St(s) = Stitch(es)
Tr = Treble Crochet

To change size, the multiple chain count is 16 + 2. Chain in counts of 16 and then add 2 at the end of the chain.

Note: It is easy to lose count when there is such a high chain count. For myself, I did my very best but then strategically counted in row 1 marking each 16th sc with a stitch marker. If you are short, you can just undo the remaining chains if I cannot get a full wave grill at the end. This way, you don't need to restart. Each wave grill is 3" or 10 cm wide. There is an extra 1 sc at the beg and end of the row.
