

Nordic Stripes Crochet Blanket

You have the ability to make the diamond mosaic to be more than just one band across. The diamonds can puzzle together if you would like to have more diamond shapes appear.

Create a foundation row consisting of the multiple $16 + 4$. You could add a few stripes if you wanted to before you begin.

Original

The interlocking crochet (mosaic) begins with the **1st to 54th row**. This gives the look as you see on the blanket.

Alternative as Shown on Right

Start with the 1st to 48th row only.

To Keep Adding More Diamonds

Start again from 9th to 48th row only.

To Finish The Diamonds Section

When you are satisfied with the length of the afghan, complete 9th to 54th row.

Finish the afghan similar to the way you started for balance.
