# Llama-No-Drama

Let's face it, this llama toy is the cutest! He's super huggable and is ready to brighten up everyone's day.

**Llama toy measures about 14½" [37 cm] tall, measured from bottom of front feet to top of head. Toy measures about 11" [28 cm] long, measured from chest to backside (not including tail).**

## Notes

1. Llama toy is made from pieces: Head and neck, body, 4 legs, tail, 2 ears, halter, bangs, and blanket.
2. To make head and neck, head is worked first leaving an opening for neck. Stitches are then worked around the edge of the neck opening to begin the neck. All other pieces are worked separately and sewn together, as needed.
3. Smaller hook and single strands of yarn are used to crochet all pieces except the blanket. Larger hook and two strands of yarn held together are used to crochet blanket.
4. Safety eyes are attached before head is complete. Do not use safety eyes if making for child under 4 years of age. Face is completed with simple embroidery.
5. Gauge is not critical for this project. Work tightly so stuffing will not show between stitches.
6. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete stitch. Proceed with new color. Fasten off old color.
7. Use photograph as a guide for placement of pieces to be sewn together.

**Round 3:** Working in both loops, sc in each st around.  
Repeat Rounds 1-3 for Fur Stitch.

## Special Technique

**Adjustable-ring =** Wrap yarn into a ring, ensuring that the tail falls behind the working yarn. Grip ring and tail between middle finger and thumb. Insert hook through center of ring, yarn over (with working yarn) and draw up a loop. Work stitches of first round in the ring. After the first round of stitches is worked, pull gently on tail to tighten ring.

Cut about twenty 3" [7.5 cm] lengths of **A**. With smaller hook and 2 lengths held together and beginning in first ch, \*insert hook in next ch, place yarn over head of hook and draw halfway through chain to form a loop. Thread ends of lengths through loop and pull to tighten. Repeat from \* across chain until desired fullness is achieved. With yarn needle, carefully separate the plies to add fluffiness to the bangs.

beginning and ending yarn tails together to secure.

### Tassels (make 3 - 1 each with B, C, D)

Wrap yarn 10 times around two outstretched fingers. Slip wraps off fingers and insert one of the yarn ends on the halter into the loops (for top of tassel) and tie securely to attach. Securely tie a length of contrasting color yarn around the wraps about ½" [1.5 cm] from top. Cut and trim loops at bottom of tassel. Repeat to make and attach a total of 3 tassels to halter.

**Rows 23 and 24:** With **B**, repeat Row 3 twice.

Treating the 2 strands of yarn held together as 1 strand, make fringe along blanket edges by braiding each group of 3 strands. Braid for about 2" [5 cm] or

as desired and then tie off with a scrap of yarn. Time ends to form a small tassel.

4. Legs are sewn side-by-side with edges touching.

Stuff one leg firmly. Flatten top edge of leg and, with yarn needle and attached long yarn tail, sew top edges together. Then sew leg to body. Repeat to sew all 4 legs to body.

### Sew Tail to Body

Do not stuff tail. With yarn needle and long yarn tail, sew end closed and sew to upper rear end of llama.

### Sew Ears to Head

With yarn needle and long yarn tail, sew ears to top of head about 2" [5 cm] apart. **Note:** Push the Fur Stitch rounds out of the way to access sc rounds. Sew ears onto sc rounds.

### Sew Bangs to Head

Fold back the first row of Fur Stitch along top of head. With yarn needle and yarn tails, sew bangs to head, along entire length of strip.

Tie blanket around neck and place halter on head.

Weave in and trim any remaining ends.
