

Baby's First Cluster Hat - 3 - 4 lbs Preemie

©2021 The Crochet Crowd, Michael Sellick - Tutorial Working Notes

In hats generally, a slight change by just a few stitches can seriously jump a pattern up in size.

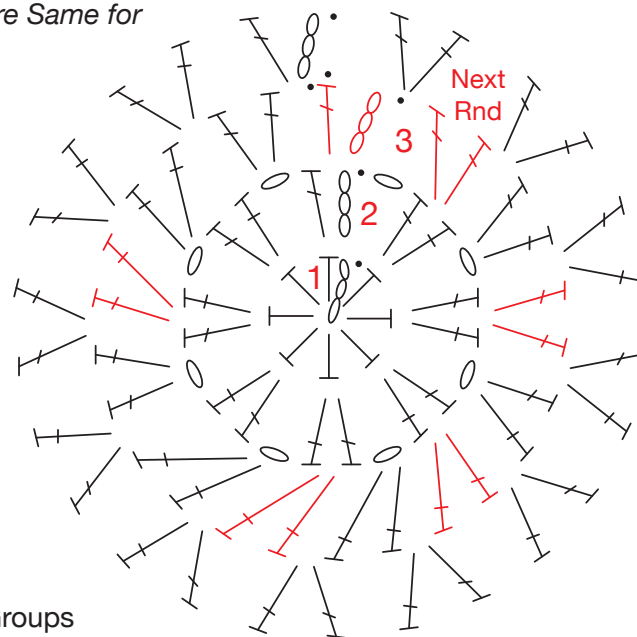

The Baby First Cluster Hat is example where the growth isn't a straight formula as the sizes change.

Careful attention to where the groups of 2 dc are placed matter.

- Slip Stitch
- Chain
- ┆ Half Double Crochet
- ┆ Double Crochet
- ┆ Located between 2 dc stitches.

3 - 4 lbs Version

Rnds 1 - 2 Are Same for All Versions

Rnd 3 - 13 Groups

Next Rnd: 2 dc between dc groups until 3.5" complete.

Once Rnd 3 is completed, all rounds are just 2 dc between the groups of 2 dc. Then proceed to the final round of 1 sc in each dc around.
