Notes

The cowl is worked in a continuous infinity revolution. This is achieved through being strategic when proceeding to round 2. The infinity cowl is permanent with a twist.

The infinity concept allows the project to grow out from the middle chain in both directions up and down.

This cowl is in multiples of 2 if you would like to change the size.

Option

If you prefer to have a regular cowl without the twist, do not flip the row when proceeding after round 1 and there will be no infinity twist to it. More rows will be needed to make it longer.

Instructions

With MC, ch 150. Join with sl st to beg ch to form a ring. Do not twist ch.

1st rnd: Ch 1, 1 sc in each ch around. Organize the ch as if it was a regular cowl without a twist. Flip the beg sc over and sc on the bottom side of the ch around. Continue to sc across the bottom of the ch. Do not join, you will work in a continuous rnd from this point. Sl st in the first st Place st marker.

2nd rnd: Ch 4 (counts as 1 dc and ch 1 sp), 1 dc in the same beg st. Sk next st, *V st in the next st, sk next st. Rep from * to the st marker. Sl st in 3rd ch of beg ch 4. Move st marker up to last st.

3rd rnd: Ch 2 (doesn't count as st). Using only the dc posts of the v st for this rnd, sk over any ch 1 sps. *1 dcbp around the first dc st, 1 dcbp around next dc st. Rep from * around to st marker. Sl St in first dcbp st. Move st marker up to last st.

4th rnd: Ch 1, 1 sc in the same st. 1 sc in each st around to st marker. Sl St in first st. Move st marker to last st.

5th rnd: Ch 4 (counts as 1 dc and ch 1 sp), 1 dc in same beg st. Sk next st, *V St in next st, sk next st. Rep from * around to st marker. Sl st in 3rd ch of beg ch 4. Move st marker up to last st.

6th rnd: Ch 2 (doesn't count as st). Using only the dc posts of the v st for this rnd, sk over any ch 1 sps. *1 dcbp around the first dc st, 1 dcbp around next dc st. Rep from * around to st marker. Sl st in the first dcbp st. Move st marker up to last st.

7th rnd: Ch 1, 1 sc in the same st. 1 sc in each st around to st marker. Sl St in first st. Move st marker to last st.

Repeat 2nd to 7th rnds until the length is 18". You have options to make it longer if you wish. Fasten off.
