

To Make Different Sizes

Multiple of 10 sts + 2.

Remember the + number at the end of the sentence means that you are to add chains at the very end to maintain the pattern as written.

Written Instructions

You will need at least 2 colours of yarn to work with. Even more if you prefer to have even more colours. This particular afghan looks really effective using 3 or more colours.

See video instructions for learning how to do the TOG DEC stitches.

Chain Length – Sets of 10 + 2 (see paragraph above)
