

XYZ Hooded Baby Blanket

By Michael Sellick, ©2021 The Crochet Crowd

Size: 36" x 36" | Hook: 5.5 mm / I
Hood Not Included

Revision 1
January 30, 2021

Yarn

Caron One Pound, 454g/16 oz, 742 m/812 yds

A - 2 Balls, Soft Sage

OPTION 1 - Baby Blanket

Baby blanket is 36" x 36". Beautifully textured baby blanket with a simple single crochet border.

OPTION 2 - Blanket with Middle Side Hood

Baby blanket is 36" x 36". Hood is positioned in the middle that is 8" tall x 15" across the side. It is created as an extension and sewn at top to close the hood.

To change the size of the blanket:

Multiples of 2

Abbreviations

Approx = Approximate(ly)

Beg = Begin(ning)

Ch(s) = Chain(s)

Dc = Double Crochet

Rep = Repeat

RS = Right Side

Sc = Single Crochet

Sl St = Slip Stitch

Sk = Skip

WS = Wrong Side

The stitch combo used are cluster stitches separated by single crochet rows and then the houndstooth stitch. The houndstooth appears in a lot of clothing as it provides texture without obvious row lines in the pattern.

Clusters

Yarn over, insert hook into assigned stitch, yarn over and pull through stitch, yarn over pull through 2 loops, hold remaining on hook. *Yarn over, go into same assigned stitch, yarn over and pull through stitch, yarn over and pull through 2 loops. Holding remaining on hook. Repeat from * twice more. 5 loops on hook. Yarn over, pull through all 5 loops.

Option 1 - Baby Blanket

Ch 110 or in Multiples of 2.

1st row: (RS) 1 sc 2nd ch from hook and 1 sc in next ch. *Sk next ch, ch 1, 1 sc in next ch. Rep from * across to the last 3 chs. Ch 1, sk next ch, 1 sc last 2 ch. Turn.

2nd row: (WS) Ch 4, (counts as 1 dc and ch 1 sp). *1 cluster in next ch 1 sp, ch 1. Rep from * across. 1 dc in last st. Turn. 53 clusters.

3rd row: Ch 4, *1 cluster in next cluster, ch 1. Rep from * across. 1 dc in last st. Turn. 53 clusters.

XYZ Hooded Baby Blanket

4th row: Ch 1, 1 sc in first st, 1 sc in ch 1 sp before next cluster. *1 sc in next cluster, 1 sc in next ch 1 sp. Rep from * across. 1 sc in 3rd chain of the turning chain. Turn. 109 sts.

5th row: Ch 1, 1 sc in each st across. Turn. 109 sts.

Houndstooth Section Begins

6th row: Ch 1, 1 sc in first st, *1 dc in next st. 1 sc in next st. Rep from * across. Turn. 109 sc.

7th row: Ch 3 (counts as dc here and throughout), *1 sc in next st. 1 dc in next st. Rep from * across. Turn. 109 sts.

8th row: Ch 1, 1 sc in first st, *1 dc in next st. 1 sc in next st. Rep from * across. Turn. 109 sc.

9th row: Ch 3 (counts as dc here and throughout), *1 sc in next st. 1 dc in next st. Rep from * across. Turn. 109 sts.

10th - 11th rows: Rep rows 4 and 5.

12th row: Ch 4, (counts as 1 dc and ch 1 sp). *Sk next st. *1 cluster in next st, ch 1. Rep from * across. 1 dc in last st. Turn. 53 clusters.

Rep rows 3 - 12 (7 more times). Then row 3 once. Fasten off.

Main baby blanket is complete. If you prefer no hood, proceed to blanket border next. If you prefer a hood, do the hood first.

Blanket Border

Proceed directly to the border for the regular baby blanket or corner hood style.

Rnd 1: With RS facing up, join to a corner. Ch 1, 3 sc in corner st. Evenly space sc across top and sides of the blanket, placing 3 sc in each corner. Join with sl st to beg sc. Fasten off.

Middle Hood Version

The hood will already be attached to the blanket. You will do the sc evenly spaced around the blanket with 3 sc in each corner. Include the hood when going around the blanket.

Option 2 - Middle Hood

The middle hood is built up as a rectangle directly on the blanket. We have to maintain the stitch look. At the end, we will fold the top of the new rectangle in half and sew shut to form the hood.

Locate the centre of side.

1. Fold blanket in half and place stitch marker on **closest cluster** to the centre point.
2. Starting with next cluster, count 10 clusters over and mark ch 1 space after it. Then go back to centre stitch marker and count 10 clusters over and mark the ch 1 space after it.
3. You should have 21 clusters between the two outside stitch markers in approx the centre of the blanket. This is where the hood will appear.

The first row that you will start with has to have the single crochets correctly placed. It looks just like row 4 but with the first and last spaces having 2 sc in each.

1st row: (RS) With RS facing up, join with sl st to 1st stitch marker ch 1 sp. Ch 1, 2 sc in first ch 1 sp. 1 sc in next cluster, *1 sc in next ch 1 sp, 1 sc in next cluster. Rep from * across. 2 sc in last ch 1 sp where the stitch marker is. You should had an **odd number stitch count**.

2nd - 9th rows: Rep rows 5 - 12 from main blanket.

10th - 18th rows: Rep rows 3 - 11 from main blanket.

Fasten off and proceed to final border.

XYZ Hooded Baby Blanket

Designed by Michael Sellick

Hooded Versions or full size baby blanket is 36" x 36" without hood.

Main body repeat rows 3 to 12 (7 more times), then row 3 once more.

With the Hood: With RS Facing, do rows 4 - 12, then 3 - 11.

Final Border: For blanket without hood, apply single crochet evenly spaced around with 3 sc in each corner. For blanket with hood in the middle of a side, add hood first, then apply evenly spaced single crochet around.

Schematics of assembly.

Fold In Half
Sew Across Top

Hood

Regular Blanket

Locate Middle Cluster
Then count out 10 clusters starting with
next cluster and use space after 10th
cluster and mark with stitch marker. Do
the same for the other side.

You will have 21 clusters spanning the
hood base.
