## Half Double Crochet Corner To Corner Rectangle

Same principle as double crochet  
corner to corner concepts.

- Slip Stitch
- Chain
- ⌋ Half Double Crochet

You can decrease at any time  
once the width is achieved. Final  
row before the decrease is the  
center row.

You can decrease at any time  
once the width is achieved. Final  
row before the decrease is the  
center row.

Graphs can be turned in any  
direction as long as you follow  
across.

Turn graphs on 45 degree angle to  
follow along. Teddy Bear C2C by  
Repeat Crafter Me.
