Adult Size
& Adjustable

Hook: Two Sizes

Revision 3

Nov 30, 2021

Project Concept

Crocheters requested a crochet cowl/hoodie combination to have a rounded off back. Nancy Elliott, tester for The Crochet Crowd, took on the challenge.

With permission, Nancy borrowed a small portion of

my original design to get the project started by truly, she did the work to take it to a whole other level.

Yarn - Customize Your Own Colours

Loops & Threads Barcelona Big (8.8 oz/250g; 410 yds/375m)

2 Balls - Tapestry

I used approximately 300 g of yarn to make this Crohoodie. This pattern is completely adjustable without any specific gauge to match. If you crochet on the tighter side, you'll need a bit more yarn, if you crochet on the looser side, you can probably get away with less.

- Tapestry needle.
- Fits average adult.

Sizing

- **Size U.S. J/10 (6.0 mm)** crochet hook (for hood portion)
- **Size U.S. H/8 (5.0 mm)** crochet hook (for neck portion)

Abbreviations

Alt - alternative
 Blo - back loop or back loop only
 Bpdc - Yoh and draw up a loop around post of next stitch at back of work inserting hook from right to left. (Yoh and draw through 2 loops on hook) twice
 Ch - Chain(s)
 Dc - Double crochet
 Fpdc - Yoh and draw up a loop around post of next stitch at front of work inserting hook from right to left. (Yoh and draw through 2 loops on hook) twice
 Mr - magic ring
 Pm - place marker
 Rep - Repeat
 Rs - right side
 Rnd(s) - Round(s)
 Row(s)
 Sc - Single crochet
 Sl st - Slip stitch
 St(s) - Stitch(es)
 Ws - wrong side

Hood Portion - 6 mm / J Hook

1st rnd: Ch 3, 12 dc in 3rd ch from hook. Join with sl st to first dc. (12 sts)

Crohoodie (Cowl/Hoodie)

©2021 Nancy Elliott

2nd rnd: Ch 2 (does not count as st). 2 dc in each dc around. Join with sl st to first dc. (24 sts)

3rd rnd: Sl st around first dc post. Ch 3. 1 dcfp around same post as last sl st. 1 dcbp around next dc. *2 dcfp around next dc. 1 dcbp around next dc. Rep from * around. Join with sl st to top of ch 3. (36 sts)

4th rnd: Sl st around first dcfp. Ch 3. 1 dcfp around next dcfp. 2 dcbp around next dcbp. *1 dcfp around each of next 2 dcfp. 2 dcbp around next dcbp. Rep from * around. Join with sl st top of ch 3. (48 sts)

5th rnd: Sl st around first dcfp. Ch 3. 1 dcfp around same post as last sl st. 1 dcfp around next dcfp. 1 dcbp around each of next 2 dcbp. *2 dcfp around next dcfp. 1 dcfp around next dcfp. 1 dcbp around each of next 2 dcbp. Rep from * around. Join with sl st to top of ch 3. (60 sts)

6th rnd: Sl st around first dcfp. Ch 3. 2 dcfp around next dcfp. 1 dcfp around next dcfp. 1 dcbp around each of next 2 dcbp. *1 dcfp around next dcfp. 2 dcfp around next dcfp. 1 dcfp around next dcfp. 1 dcbp around each of next 2 dcbp. Rep from * around. Join with sl st to top of ch 3. (72 sts)

7th rnd: Ch 1. 2 sc in same sp as sl st. 1 sc in each of next 5 sts. *2 sc in next st. 1 sc in each of next 5 sts. Rep from * around. Join with sl st to first sc. Do not fasten off. (84 sts)

In order to get a “rounded, rather than pointed” hood we will need to transition the circle into rows to form the top and sides of the hood.

Count 72 sts around and PM around that st before continuing. Also PM into the top of each ch2 at each end (and move them up each row as you pro-

ceed)

1st row: RS. Ch2. Alternate between fpdc and bpdc into each st across, placing last bpdc around the 72nd st. Turn (72 sts)

2nd row: WS. Ch2, alt bpdc and fpdc across, hdc into ch2. Turn (73 sts)

3rd row: RS. Ch2, alt fpdc/bpdc to end, hdc into ch2. Turn (73 sts)

4th row: WS. Ch2, alt bpdc/fpdc to end, hdc into ch2. Turn (73 sts)

Note: I made my hood so it's a little longer in the front. If you want a shorter (closer to your head) front you can omit Rows 11-17, or customize to your liking by trying it on after completing Row 10. Alternately, you can also lengthen it by adding more rows by repeating rows 3 and 4 as needed. Do not fasten off at the end of the last row, we will transition into the cowl/mask piece.

Continue in pattern as follows:

Rows 5, 7, 9, 11, 13, 15 and 17 – repeat row 3.

Rows 6, 8, 10, 12, 14 and 16 – repeat row 4 .

Change to 5mm hook. We will now be transitioning into the cowl/mask portion of the pattern and for the first row you will be working your sts into the ch2 spaces from the rnds above sideways.

Note: If you've added/subtracted rows in hood portion you will need to adjust the number of sts you will work along the neck edges accordingly. Make sure you sc and “uneven” number of sts. (e.g.: 67,69,71,73, 77, 79, 81 etc.)

Cowl Portion 5 mm / H Hook

1st rnd: Ch 1, and continue into neck edge (see pic) doing 2sc into each ch2 space along the first neck edge, 1sc into each st along the back edge and 2sc into the other side's neck edge, join to sc on other side of edge. Turn (75 sts)

2nd rnd: WS. Ch1, 1sc into each st across, join with a sl st to first sc. Turn (75 sts)

3rd rnd: RS. Ch2 (does not count as a st) 1dc blo (this rnd only) into each sc around, join with sl st to first dc. (75 sts)

Crohoodie (Cowl/Hoodie)

©2021 Nancy Elliott

4th rnd: Ch2, fpdc into first dc of rnd 3, bpdc into next dc. *Fpdc into next st, bpdc into next st. Rep from * around, ending with a fpdc, join with sl st to first fpdc. (75 sts)

Note: The ch2 will “act as a bpdc and fill in any potential “hole” between the first st and last st.

5th rnd: Rep rnd 4 until cowl/neck portion measures 8” (or desired length based on any customization).

6th rnd: Ch1, 1sc in each st around, join with sl st to first sc. Fasten off, weave in end.

Note: You will always have the same amount of sts (75) or whichever number you customized your pattern too throughout the rest of cowl/neck portion.
