

# CONVERSATION BLANKET | EASY

conversationblanket.PDF | ©2023 THE CROCHET CROWD

## Abbreviations

Beg = Begin(ning)  
BLO = Back Loop Only  
Ch(s) = Chain(s)  
Dc = Double crochet  
Rem = Remain  
Rep = Repeat  
RS = Right side  
Sc = Single crochet  
Sk = Skip  
Sl st = Slip stitch  
Sp(s) = Space(s)  
St(s) = Stitch(es)  
Yoh = Yarn over hook

Criss Cr = Criss cross, sk next st,  
1 dc in next, 1 dc in skipped st.

Ch 2 at the beginning of row =  
1 dc. It's tighter for better edge  
control.

I tended to lose count of the dou-  
ble crochet row after a crisscross  
row. Watch the crisscross stitch-  
es and the beginning chain when  
finishing a row. You will notice it  
when you do the crisscross row  
in the future and you have an odd  
count stitch.

The two colours are fuchsia and  
dark orchid. Start with the out-  
side of the ball of fuchsia and  
the second ball, use the inside  
of the ball to start. The whites  
on the outside of the ball are so  
close, you can transition easily.

The third ball, start with the out-  
side of the dark orchid and then  
use the inside of ball for the  
fourth ball using dark orchid.

Finally, the fifth ball, use the  
outside of the ball of fuchsia  
and finish with the 6th ball from

## Inspiration, Materials and Sizing

**Bernat Blanket Perfect Phasing**  
(300g / 10.58 oz, 201 meters / 220  
yards)

**A - Fuchsia - 4 balls**

**B - Dark Orchid - 2 balls**

Hook U.S. L/11 (8 mm) crochet hook  
or size needed to achieve gauge.

Gauge 10 sc and 8 rows = 4" [10 cm]

Measurements Approx 60" wide" X  
54 long" [152 x 137 cm].

10 sc and 8 rows = 4" [10 cm]

the inside of the ball.

## Instructions

Pattern repeat is multiples of 2 chs + 1. You can easily substitute the yarn and hook size for this pattern.

With A, ch 131.

**1st row:** 1 sc in 2nd ch from hook and in each ch across. Turn. 130 sc.

**2nd row:** Ch 2 (counts as dc here and throughout). 1 dc in each st across. Turn. 130 dc.

**3rd row:** Ch 2. Criss Cr across the row. 1 dc in last st. Turn. 64 crisscrosses and 2 dc.

**4th row:** Ch 2. 1 dc in each st across. Turn. 130 dc.

**5th row:** Ch 1, using BLO, 1 sc in each st across. Turn. 130 sc.

**6th row:** Ch 2 (counts as dc here and throughout). 1 dc in each st across. Turn. 130 dc.

**7th row:** Ch 2. Criss Cr across the row. 1 dc in last st. Turn. 64 crisscrosses and 2 dc.

**8th rnd:** Ch 2. 1 dc in each st across. Turn. 130 dc.

Repeat 5th to 8th rows until 16 rows of crisscrosses appear or approximately 53.5". Join the next balls at the end of the where the balls run out and keep going. You most likely won't start a new ball at the beginning of a row. The colours will transition seamlessly on their own.

**Last row:** Ch 1, 1 sc in each st across. Fasten off.
