

*YARN STORES ON THE RHINE - Amawaterways and our buddy Bruce threw together this yarn shop list. I attempted to select a landmark with maps that'll make finding it a piece of cake, especially if you're strolling around with your explorer hat on. Trust me, Bruce is like the yarn whisperer – he knows where the best fluffy treasures hide!*

It's like a yarn scavenger hunt, with potential for some surprise crocheting and knitting gold!*
