**Project Size:** 8" across x 70" long.

**5 mm / H/8**

### Abbreviations

Beg = Beginning

Ch = Chain

Sc = Single Crochet

Sc2tog = (Draw up a loop in next 2 sc. Yoh and draw through all 3 loops on hook

Sk = Skip

St(s) = Stitches

### Notes:

The pattern is in multiples of 4 chs + 1.

There are two wedges stacked on top of each other that are in the same direction, while the other two wedges above it are facing the opposite direction. This causes the stitches to wobble.

Though there is a lot of instructions, the concept is pretty easy. The 15th and 42nd rows are what keeps the wedges lined up so that two wedges of the same direct stack directly over top of each other. .

### Instructions

Ch 29.

**1st row: (WS).** Working into horizontal "bump" at back of each ch, 1 sc in 2nd ch from hook and in each ch to end of chain. 28 sc.

Always use the back loops for each single crochet.

**2nd row: (RS).** Ch 1. Working in back loops only, 1 sc in each sc to last 4 sc. Turn, leaving rem sts unworked. 24 sc.

**3rd and alt rows ending 13th row:** Ch 1. Working in back loops only, 1 sc in each sc to end of row. Turn.

**4th row:** As 2nd row. 20 sc.

**6th row:** As 2nd row. 16 sc.

**8th row:** As 2nd row. 12 sc.

**10th row:** As 2nd row. 8 sc.

**12th row:** As 2nd row. 4 sc.

## SHORT ROWS WOBBLE SCARF

**14th row:** Ch 1. Working in back loops only, 1 sc in each of first 4 sc. (Sc2tog, working into side of last st of previous row and back loop only of next st 2 rows below. 1 sc in back loop only of each of next 3 sc) 6 times. Turn. 28 sc. *First Wedge complete.*

**TIP:** 15th row is in green on the diagram as it's this row that keeps the wedge facing the same direction as the wedge below it.

**15th row:** Ch 1. 1 sc in each st across. Turn. 28 sc.

**16th to 28th rows:** Rep 2nd to 14th rows once more.

*Second wedge complete.*

**TIP:** 29th row will switch the wedge to face the opposite direction from the two wedges below.

**29th row to 41st rows:** Rep 2nd to 14th rows once.

*Third wedge complete.*

**TIP:** 42nd row is in green on the diagram as it's this row that keeps the wedge facing the same direction as the wedge below it.

**42nd row:** Ch 1. 1 sc in each st across. Turn. 28 sc.

**43rd to 55th rows:** Rep 2nd to 14th rows once.

*Fourth wedge complete.*

Rep from 2nd to 55th rows - 7 times more. Repeat 2 to 14 once more.

You can also repeat as many times you prefer. I went long enough to use as much yarn as possible without playing yarn chicken.
