Notes:

The scarf is built on an angle with one side always being single crochet 2 together while the other side always increases by 1 stitch.

You will be able to count 8 raised ridges on the right side before going into a white stripe section.

Make 30 tassels. (15 per side). Each tassel is made of 3 strands of C that is 12" long. Attach with a looped formation to the right side of the scarf.

Steam or wet block the tassels to straighten and then trim evenly. Scarf is also steamed or wet block for best look.
