Bobble Motifs Construction

The motifs can be done in two ways. You can either use the same colour and use the texture to make the card suit symbols pop out. Or, you can use tapestry crochet to carry yarn under the stitches and use it only when the bobbles are in play.

We have a tutorial on how to make bobbles or popcorn stand out when using tapestry crochet. See the article in which this pattern was listed to view how it is done.

The secondary colour, Clay, is only used once the bobble rows begin.

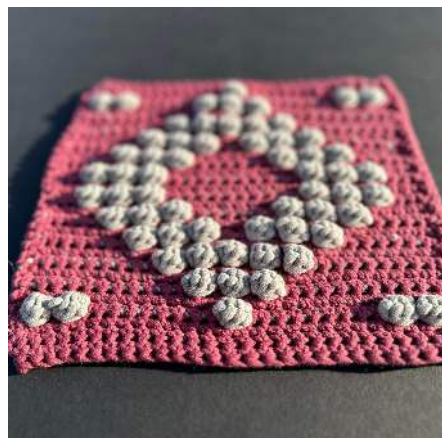

The Card Suit Box

Four motifs are made and joined together on the edges using zigzag slip stitch technique. Those motifs are 9" x 9" inches in size. With Lily Sugar'n Cream the motifs are 8" x 8" square. There is a bottom square of solid colour in single crochet that is under the box.

The top round has 1 round of single crochet around using the Clay colour.

The second round is reverse single crochet aka crab stitch.
