Mikey's blanket is shorter on the starting chain to accommodate baby blanket size. The stitch multiple is 53 chains + 2 if you want to change the size. Each multiple is 8" in width.

Hook = 4.5 mm / US 7

Gauge = 14 sc and 16 rows = 4" [10 cm]

Size: 40" x 44" long.

Notes:

- Chain 2 counts as a space in the future rows. See the diagram above for location. Row 3 is provided on the diagram to better illustrate what the stitchwork directions are in both directions.
- On the diagram, I nearly missed the skipped chain on the original sample. On my diagram above, I put the skipped chain for the 1st row in red to call attention to it. I have bold those instructions below to ensure you don't miss it.
- Each ombre section is almost one full ball. Start a fresh ball each time you do this section.
