

Crochet Mountain Mist Afghan - April 2024

This is a similar looking pattern to the one seen in the Breaking Amish Television Show. It's not the same pattern but it looks pretty close to it. This is an older pattern and was originally using Waverly by Bernat but it's been discontinued, yarn wise. You can easily substitute the yarn for Bernat Super Value, Caron One Pound or even Caron Simply Soft. The ball counts are below and the colours that were originally used. Remember, if using Caron One Pound, those are big balls, so keep in mind the yardage of a ball. This is an original Yarnspirations Design from many years ago.

Afghan is 49" x 55".

Multiples: 13 + 14
